April 14-April 23	Meet with mentor groups
April 24	Project Presentations
May 1	Project Presentations

### Other expectations

- Worship is still a requirement so come as a mentor group and meet afterwards on days we don't have class.
- 20 Sermon notes are needed (Unless you did them all last year. If that is you, now you only need to do 15)
- A project needs to be done at some point throughout the year, it can be one big project, or something you do throughout the year. You will present this, in some form, after Easter in April and May.
- After classroom work is completed, you still need to meet with your mentors. And at minimum meet 10 times, that's an average of 2 times per month. You can meet with them when ever your group decides to, but it still needs to be 10 times.
- This year is flexible, allowing you to make some decisions about your faith life, and how you will schedule your time.
- Be sure you have some fun with this too, because FAITH CAN BE FUN!
- And, enjoy learning about yourself this Confirmation year.
